Project

SUMANDO+

What does the project offer?

- Support with municipal registration and administrative regularisation procedures in Spain.
- A comprehensive service providing assistance, advice, guidance, support and legal aid.
- Support for the social integration of service users.
- Access to essential public services.

Who is it aimed at?

Migrant individuals living on the island of Tenerife who are undocumented or do not have Spanish nationality and wish to begin the process of regularising their status or settling in the country.

HOW CAN I TAKE PART?
